## RUNWAY FOR RESEARCH

The name of our project was runway for research. It was called this because we held a fashion show at Horsham West Primary School to raise money for the Breast cancer Foundation.

Our Team is Sharayah Chequer, Abbey Moore, Briilee Harris and Ashley Taylor. Our goal was to raise \$150 to go towards the cause, we nearly made it but not quite, in the end we raised nearly \$135.

Our Roles in this were making the clothes which was done by Ashley, Sharayah and Briilee. Modeling which was done by Ashley, Briilee, Sharayah and Shania. Lights and music which was done by Tim. Presentation, posters and photos which was done by abbey. Commentating the show which was done by Megan and our parents helped out with anything we needed help with.

By doing this project we are helping everyone who has or has had breast cancer by donating money to research it. Our research involved going to spotlight and finding the prices to buy any clothes or material we couldn't bring from home or get donated. Our funding came from us and our parents.

Our project was a great success. The children who attended the show were exited and enthusiastic. While we did not quite meet our goal of \$150, we came close.
