

## **Capability Statement**

Tomorrow's Leaders for Sustainability Inc. (TLfS) is a not for profit organisation that aims to help different members of the community lead the way in living more sustainably in their homes, schools and organisations. Pat Armstrong and Jane Stewart, the Co-Founders, have been actively involved in the development and implementation of internationally recognised sustainability education programs that provide long-term change for more than thirty years. More recently they have been researching and developing a range of leadership training programs in the context of sustainability and facilitating them to different sectors of the community.
